Dear Sir

On the 14th I sent you by express a package containing 21 Oz & 8¹⁰⁰ of Gold Bullion, and wrote you the same day by mail, enclosing Express Agent's receipt for same. I expected to hear from you by this time - and not hearing I write again for fear it may have gotten misplaced. I asked you to send me a check for the value - I suppose it is a certificate you give, if you have received it please send me statement of the assay and certificate or what you give for the value. I used to be familiar with this business. I carried gold from here to the Mint when it was on 7th St 50 odd years ago - and also to it at its present location - please let me hear if it has been received.

Very Respectfully
